Foreword

Six happy, fruitful years have passed since we, the class of Nineteen Hundred and Sixty Two, entered these hallowed halls. During these six years, we have met many challenges which at first appeared insurmountable, yet we have always found ways to conquer them. The results of these efforts have made our high school years truly memorable.

As we stand on the threshold of a new world, we cast one last lingering look at the institution which has laid the foundation for our future. Here we have made new friends, some of which will endure a lifetime.

Certainly, the class of Nineteen Hundred and Sixty Two can never forget the fond memories and cherished traditions of our alma mater . . . Chenango Valley.

The senior class of 1962 proudly dedicates its most treasured memory, the yearbook, to Mrs. Margaret Hardy. It has been through her enthusiastic teaching, wonderful sense of humor and friendly personality that has made her one of the best loved teachers in Chenango Valley. She will always be remembered, admired and respected for her continuous efforts in teaching mathematics, directing our junior proms and supervising our junior bake sales. As a token of our gratitude, we, the senior class of '62, dedicate this year's Warrior to you . . . Mrs. Hardy.

Student Council

Standards

The Student Council is the primary governing organization of the student body and serves as the median between our faculty and students. The main function of this organization is to discuss, schedule and establish the numerous events which individual organizations throughout our school may conduct their functions. This year, the Student Council conducted its first annual dance, "The First Fall Fling," in addition to playing host to the Southern Tier Interscholastic Association this past springtime. Currently, the Student Council is working very diligently on bringing an exchange student to our school and extensive defense measures for our student body.

The Chenango Valley yearbook, WARRIOR, is a pictorial view of all phases of education and student life in and around our school. This year's work, under the leadership of Mr. Charles J. Osborne, has worked very diligently to produce this 1962 edition of the Warrior.

Directing the various phases of yearbook work were our two co-editors Marge Axtell and Judy Carkner and their editorial staff consisting of Business Manager, Jim Murphy; Senior Editor, Peg Michael; Literary Editor, Joy Cooper, Treasurer, Joyce Harrison; Sports Editor, Ed. Krajca.

During the spring of 1961, the editorial staff travelled to yearbook conferences in order to obtain information and new ideas for the use in yearbook production.

Chenango Valley's 1961 football team started out a very successful season with consecutive victories over Waterloo, Carthage, Maine-Endwell, Owego, Notre Dame of Elmira and Susquehanna Valley. Injuries plagued the team with the result that the final two contests ended with losses to Eastwood and Homer, giving Chenango Valley a very respectable 6 won and 2 loss season. After such a successful year as 1961, and with a very limited number of graduates on the current squad, the prospects for a very bright year ahead are forecast.

Coach Sharpsteen and his basketball Warriors can be seen every night after school from 4:00 to 5:30 p. m. practicing in the high school gym. These practice sessions help prepare these boys for the competitive games in which they indulge with area schools. This constant drill could also be said to be one of the major reasons why Chenango Valley has won the Sidney Christmas Tournament for the third straight year. The boys and the coach are to be congratulated for the fine sportsmanship and spirit which they have shown during the past basketball season.
